At Myriad, we understand that each patient's situation is unique, and have designed specific programs to make testing affordable for everyone.

## QUESTIONS YOU MAY HAVE

### Will genetic testing be covered by my insurance?

**97%** Private insurance companies have coverage for hereditary cancer testing

Through insurance coverage and financial assistance:

**75%** Patients who pay \$0 for testing at Myriad

**≥90%** Patients have or will qualify for a payment of \$100 or less

**100%** Patients covered by the Myriad Promise

### What if I have a high deductible plan or co-insurance?

If you have a high deductible or co-insurance, you may qualify for the Myriad Financial Assistance Program for a reduced out-of-pocket cost.†

### What is the Myriad Financial Assistance Program?

You may qualify if you meet insurance criteria‡ and your household income is less than the income guidelines below:

Persons in Family or Household	48 Contiguous States & D.C.
1	\$49,960
2	\$67,640
3	\$85,320
4	\$103,000
5	\$120,680
6	\$138,360
For each additional person, add	\$17,680

**Note:** Financial Criteria above are based upon the United States Department of Health & Human Services (HHS) Poverty Guidelines, which are subject to change and can be found at [www.MyriadPromise.com](http://www.MyriadPromise.com) (including Alaska and Hawaii). Myriad reserves the right to terminate or modify its Financial Assistance Program at any time.

^ For patients with a qualifying family history, meeting broad guidelines.

† Patients who are recipients of U.S. government-funded programs such as Medicaid, Medicare, Medicare-Advantage and Tricare may not be eligible.

‡ Uninsured or underinsured patients meeting specific financial and medical criteria may qualify to receive testing at a reduced cost.

### How do I apply for the Myriad Financial Assistance Program?

1. Include your income and number of family members in your household on the Test Request Form (TRF) your healthcare provider asks you to sign.
2. Provide your correct email address and phone number on the TRF so Myriad can contact you with further details.
3. Provide income verification (from your most recent tax return) and complete a 1-page application.

### Can my health insurance be impacted by my test results?

The Genetic Information Non-discrimination Act (GINA) and laws in most states prohibit discrimination regarding employment eligibility, health benefits, or health insurance premiums solely on the basis of genetic information. **For information about Myriad's privacy policy, visit [www.myriad.com/patients-families/the-myriad-difference/your-privacy](http://www.myriad.com/patients-families/the-myriad-difference/your-privacy).**

### What if I need help with my bill?

If you encounter ANY financial hardship associated with your genetic test, Myriad will work with you toward your complete satisfaction. Myriad provides payment plans without interest, where you can pay a monthly cost that is reasonable for your financial situation.

Myriad  Promise™

Myriad promises to partner with you toward your complete satisfaction

For uninsured patients, please go to [www.Myriadpromise.com](http://www.Myriadpromise.com) for application information.
